FROM : Project Security Officer
SUBJECT : Auditor List - Lockheed

25X1A

1. During a review of my notes taken during a trip to the West Coast early in October, I came across a hastily scribbled note concerning a comment made by [REDACTED] Lockheed Auditor, on 5 October, involving your area of interest.

2. He mentioned that you had furnished to him a check list for the auditor staff in answer to his letter of 23 August. He mentioned this ~~you~~ would make sense to you and requested you consider bringing that check list up to date.
